Everbridge Emergency Alert - May 14, 2024 at 1:00 pm

Tuolumne County has now incorporated 5 outdoor audible alerts or sirens to our emergency alert notification system. This is another tool for getting emergency alerts out into the community.

These outdoor sirens are located in the following five communities: Groveland, Tuolumne, Twain Harte, Cold Springs and Strawberry.

To participate in a survey about the sirens, please visit <https://arcg.is/1HfKCi1> or click on the QR Code

The outdoor audible alerts/sirens WILL ONLY be used when an EVACUATION ORDER has been issued by the Tuolumne County Sheriffs Office.

Tuolumne County uses Everbridge as system to notify residents and visitors of an emergency through cell phone texts, emails and or landlines. We will be testing the system on May 14th at 1:00 pm. If you are not already signed up, please visit
